

“The Educational Objectives of Hadano City Board of Education”

Based on the objectives and philosophy of The Fundamental Law of Education, and in the spirit of The Citizens’ Charter of Hadano City, Hadano City Board of Education shall make all possible efforts to develop and support people who meet the following qualifications and who are able to compose a peaceful and democratic community and nation:

- ◎ people who respect life and human rights, who have well-rounded hearts, and who love peace.*
- ◎ people who respect the interrelationship between human beings and nature.*
- ◎ people who are healthy both in mind and body, who have hope, and who are living to realize their dreams.*
- ◎ people who honor their local history and traditions, and who create new culture.*
- ◎ people who value a sense of public spirit, who are able to learn, think, and act for themselves.*
